## Team Management

As a Team Manager, your Club Manager will enter you into the MyUniform system. When you receive your invitation you will need to sign in and input the roster for your team.

## Sign In

To begin, visit [myuniform.thesoccercorner.com](http://myuniform.thesoccercorner.com) and sign in to your MyUniform account.

You will need to set your password through your invitation email before you sign in for the first time. Once you Sign In you will see your MyUniform user dashboard.

## Dashboard

The main dashboard screen will change based on what has been assigned to your account. Your Dashboard will contain links to manage your teams and player orders. If you are the parent of a player in your club or manage multiple teams you will see multiple icons displayed on your dashboard as seen below. You will also see your recent orders, where you will be able to edit or cancel your orders prior to your team's deadline.

If you are going to manually enter information, you can begin entering the required information for your first player. After you enter each player, click the Add New Player button. This will save and send an invitation for the current player and add a new entry line.

You will see your Team Roster page with all of you player information entered. **Please do not toggle any players as Scholarship without first talking to your team sales representative at The Soccer Corner. This is used for clubs that have scholarship players for whom the club pays a portion of the uniform costs.** At this point you are done with your roster entry for that team, but you can return to this page at any time to add or manage players and view order status for each player.
